Testimonials

"Since 2010, J & J Comedy has been a member of the Parsippany Area Chamber of Commerce and was asked to perform at our Annual Holiday Awards Dinner. This was our first comedy dinner show and we had a high level of professional expectations. It was no doubt that since our first meeting that they would provide a quality show and ensure that our expectations were met. Our staff enjoyed working with them and equally important was the positive comments we received from our attending Chamber members. We would recommend J & J Comedy to our membership for future events."

Robert J. Peluso MBA, President

"The Matthew Jago School PTO has used J & J Comedy for our Comedy Night Fundraiser the past two years. From the time of booking to the event itself, James and his staff are a pleasure to work with and are more than accommodating. As for the lineup of comedians...beyond hysterical! For 90 minutes we were able to forget about the worries of the world and simply laugh! We truly did not want the evening to end! For an uplifting evening full of pure comedy, I highly recommend J & J Comedy for your next event!"

"It is one thing to book an event and just show up, but it is another thing to be in constant contact with the other party. I appreciate the no less than twenty emails and telephone calls from the first time that we met. I appreciate your professionalism and dedication to your profession. Your comics rocked the house and were the talk of the over three hundred attendees. The collective material was new, fresh and up to date. I, we could not have asked for anything more."

Guisepppe DeChiara,
Granbury, NJ Fraternal Order of Police

"On behalf of the Sts. Mary and Elizabeth Academy HSA, I would like to thank you for coming out to our school and giving us a much enjoyed night of extreme laughter. Our parents work very hard to raise money for school. To be able to host an inexpensive night out for our parents and others in our community AND raise money was a complete pleasure.

I just knew this would be a great way to raise money for our school. I personally appreciated your guidance in helping get our 1st Comedy Night together. As you assured me, it was not a difficult event for which to prepare.

First impressions mean a lot...people are still talking about the night and repeating the jokes! We have given out your information to others inquiring AND we are talking about another show in the Spring!"
